## MINISTRY INTERNSHIPS

Grace City Church is dedicated to leadership development. In order to fulfil our vision to see thousands of disciples throughout Sydney and beyond radically committed to the cause of Christ, we need leadership development. This vision requires a growing group of adults including parents, students, full-time workers, part-time workers, retirees, the list goes on. Our Ministry Internship is a Leadership Development program. It will involve a mix of training as well as some hands-on practical leadership opportunities with a staff-mentor to help you get as much as possible out of it.

An Internship at Grace City (minimum 6 months) will grow and train you to play your part in building Jesus Christ's church. We are looking for people who love Jesus, who desire to serve like Jesus, who want to lead others to Jesus and who have, or are willing to make some time available in their week to serve and to be equipped as leaders.

## WHAT DOES IT LOOK LIKE?

Grace City internships have 3 main elements:

1. Hands-on experience assisting in the 5M church structure (Magnification, Membership, Maturity, Ministry, Mission).
2. One to one Bible engagement with Christians and/or non-Christians
3. Regular training time with a staff member(s). In the past our Internship Training has included talk writing, theological analysis, church structure, daily reading guide content creation and goal-based strategising.

The time commitment for the internship is at least **8 hours during the week** (either one full day or two half days), as well as attending and serving at our **Sunday gatherings**. Some extra time would be associated with key events as appropriate for your ministry focus. The specific time commitments will be agreed on in consultation with the Ministry Director at the commencement of each internship.

## GOOD FOR YOU, GOOD FOR CHURCH

A successful Internship will benefit both you and Grace City. You will benefit because you will receive personalised, in depth training and attention in your ministry development. This will not simply be a 'watch and learn' internship, but a 'watch and do' experience.

Grace City will also benefit and, with your assistance, we can strive towards our vision. Growing churches are always in need of more people and more leadership.

## WHO IS IT FOR?

Internships are open to any regular Christian who loves Jesus, is keen to be equipped to better serve God's people and who have some available time to commit to the internship. This could suit a wide range of women and men: students with a lighter study load, people with employment flexibility, parents with flexibility and retirees. If you're not sure, chat to the Ministry Director about whether or not this would be a good option for you.

## WHEN IS IT?

Internships can commence at any time and will continue for a minimum of 6 months (with the option to extend). Interns would need to be available for most Sundays during that time. Interns are able to take 3 Sundays off during the Internship (more are negotiable if necessary).
